#### NEW CHALLENGE

The new challenge for us during this summer is to build a new grotto for Our Lady of Lourdes. After consulting a professional to renovate the old grotto and to repair the cracks, the conclusion is that it is more expensive to renovate it than to build a new one.

If you are one of those people who love to pray outside in front of the grotto or know anyone who could help with this project, please help us.

In addition to this new place of prayer, it's also our desire to have an LED sign for our parish to be displayed outside to help us advertise the mass schedule, the events, and also evangelize throughout our neighborhood.

These projects shall be done during the summer, as they require good weather. We will keep you posted about it.

Thanks again for being part of this big project, and thanks for building our community.

NOTE: If you know any good masons, please refer them to the pastor.
