RENOVATION PROGRAM

Maintenance Collection (Blue envelope)

NEW CHALLENGE

The new challenge for us during this summer is to build a new grotto for Our Lady of Lourdes. After consulting a professional to renovate the old grotto and to repair the cracks, the conclusion is that it is more expensive to renovate it than to build a new one.

If you are one of those people who love to pray outside in front of the grotto or know anyone who could help with this project, please help us.

In addition to this new place of prayer, it's also our desire to have an LED sign for our parish to be displayed outside to help us advertise the mass schedule, the events, and also evangelize throughout our neighborhood.

These projects shall be done during the summer, as they require good weather. We will keep you posted about it.

Thanks again for being part of this big project, and thanks for building our community.

NOTE: If you know any good masons, please refer them to the pastor.

WEDDING IN 2026

Dear couples planning to marry in 2026, if you want to marry in our church, please schedule an appointment with the pastor. So we may begin to work on your marriage process.

According to the Archdiocese of Toronto, all couples must contact their parish at least a year before their wedding because marriage in the Church is a sacred sacrament.

PARISH INFORMATION SECTION

Dear Parishioners, if you wish to have your mass intention published in the parish bulletin, please submit it to the office by Wednesday at 12 p.m. After that date and time, your mass intention will be announced before mass, but it will not appear in the parish bulletin. Thanks.
